

# The Stuart and Jacobean Portrait: A Theoretical and Practical Investigation

Professor  
Tania String

ART 768  
Fall 2012  
Tuesdays, 2-5

Students will research a group  
of relatively unstudied  
sixteenth and seventeenth  
century portraits, and gain  
valuable art historical and  
museological skills.

A MEMS Seminar in  
conjunction with the North  
Carolina Museum of Art.
